To Whom It May Concern:

Subject: Confirmation of Status – NOT A HALAL CERTIFICATE

This letter is NOT A HALAL CERTIFICATE or a certificate of any other kind. This letter is only proof that the below listed facilities are clients of our organization and that Halal certified product can be purchased from them with the necessary Halal labeling to prove the certified status of that product. Any product not officially labeled in the source facility as Halal certified by our organization is not Halal certified and has no guarantee of its Halal status.

The purpose of this letter is to confirm that our internationally accredited Halal certification body, **Halal Transactions, Inc.**, also known as **Halal Transactions of Omaha (HTO)**, is working with the following facilities:

Godshall's Quality Meats with USDA Establishment Number of **M9553/P9553**, and

Daniel Weaver Company with USDA Establishment Number of **M669/P669**

The previously listed facilities are active clients of ours and it is possible for interested parties to obtain Halal certified products from them. You must specifically purchase Halal certified products, which will be labeled as Halal products using the HTO Halal certification mark. The Halal labeling is only permitted to be applied in the facility in which the products were manufactured/processed. Any sort of annual certificate is not sufficient to verify a shipment's Halal status. The above listed facilities are NOT fulltime Halal facilities and they do also produce non-Halal products. We take proper precautions and controls to ensure that Halal certified products are isolated and that their integrity is effectively maintained.

Expiration date of this letter: March 27th, 2024

This letter is not meant to be displayed in sales areas, and it is not proof of the Halal status of any shipment of product in and of itself. Halal labeled product is required in order for the products to be Halal certified under our certification label. Properly labeled Halal certified product can be obtained from the above facilities in order to prove certified status. It shall not be permitted for any third-party seller to apply the Halal mark/logo on the product. It must have been labeled as Halal in the facility of origin.

If there are any questions regarding this issue, or if the reader needs to verify the authenticity of this letter, please contact us at info@halaltransactions.org. Thank you.

Signed,
