

PRODUCT SPECIFICATION SHEET			
Product Name PreneXOS™ Prebiotic is a xylooligosaccharide (XOS) prebiotic powder produced through a clean, natural proprietary process.	GMO Status	GMO Free	
	Organic Status	Certified Organic	
	Gluten Status	Gluten Free	
	Stability	Retest after 3 years	
	Storage Conditions	Store in a dry, cool place. Keep in well sealed containers. Protect from light, moisture, heat.	
Botanical Name Saccharum spp. (Proprietary Variety)	Physical Properties	Specifications	Methods
	Appearance	Off White to Light Tan Powder	Visual
Common Name High Fiber Sugarcane	Odor	Characteristic	Sensory Evaluation
	Purity / Standardization	Specifications	Methods
Plant Part Plant Stalk	Active Constituent(s)		
	Xylooligosaccharides	>75%	HPLC
Preparation Type Dry, Free-Flowing	Heavy Metals		
	Arsenic, mcg/g	<0.2	AOAC
	Mercury, mcg/g	<0.2	AOAC
Extraction Solvents Water	Cadmium, mcg/g	<0.2	AOAC
	Lead, mcg/g	<0.2	AOAC
Country of Origin Grown and processed in the United States	Microbial		
	Aerobic plate count,	<3000	USP
	Listeria spp.	Absent/10g	AOAC
	Total Coliform	<10 CFU/g	AOAC
	Yeast, CFU/g	<1000	AOAC
	Mold, CFU/g	<1000	AOAC
	Pesticide Residues	Compliant	USP<561>
