Halal Criteria for Certification

Upstate Niagara Cooperative, Inc., confirms that all our manufacturing facilities in New York State and Pennsylvania meet the criteria for Halal Certification for the Upstate Farms and Bison Foods products.

As of the date of this document, all ingredients in the product(s) listed below do not contain alcohol, natural cysteine extracted from hair or feathers, animal fats and/or extracts, bloods of any origin, blood plasma, pork and/or other meat by-products and are not processed with alcohol.

Upstate Farms plants are under permanent, official supervision from New York State Department Agriculture & Markets and Pennsylvania Department of Agriculture. Upstate Niagara Cooperative's Grade A milk processing plants meet all the standards of the PMO to process Grade A pasteurized milk or milk products. Also, Upstate Niagara facilities are listed on the FDA's Sanitation Compliance Ratings of the Interstate Milk Shippers List.

Please let me know if you have any questions or need anything additional.

Thank you.

Sincerely,

Gene Butzer
Director Corporate Quality Assurance
