

Essential Chemicals USA LLC
1020 State St, Chicago Heights, IL

October 11, 2024

HALAL STATEMENT

This statement is to certify that the Tixosil products including Tixosil 68, Tixosil 68B FCC, Tixosil 68B PC, and Tixosil 68 PC, produced in the Chicago Heights, IL USA facility conform to the Halal requirements. A review of our ingredients and process has been completed and our product conforms to the following requirements:

1. Ethyl alcohol is not part of any ingredients, nor is it used in processing.
2. Our process and products do not contain, nor come in contact with, any Haram substances in the course of production and packaging.
3. There is no component of animal origin in any of our ingredients or process nor does it come in contact with any chemical that may contain this.

Our products have been registered with IFANCA and will continue to be registered. At this time, we are in the process of updating the company name from Solvay to Essential Chemicals USA LLC and will provide you with the certificate as soon as it becomes available.

A handwritten signature in black ink that reads "Rachel Strickler".
