The information contained herein is for informational purposes and is provided without any representation, warranty or guarantee of any kind, including (i) with respect to any particular product properties or any results of the use thereof, or (ii) that any product will meet your or any other person's requirements, achieve any intended result, or be compatible or work with any other products. All transactions are subject to the terms and conditions available at [www.jarchem.com/terms\\_and\\_conditions.php](http://www.jarchem.com/terms_and_conditions.php).

**Heavy Metals**

This product will not contain more than 20 ppm of Lead (Pb), or more than 2 ppm of Arsenic (As). Heavy metals are determined periodically. Please see the Certificate of Analysis for any trace impurities reported.

**Global Compliance**

This product is not known to bear any restrictions globally.

**Residual Solvents**

This product complies with the requirements of the ICH Q3C Residual Solvents Guideline.

**Shelf Life**

This product has a shelf life of 24 months after the date of manufacture, subject to appropriate storage and handling. After this date, retesting of the material is required in order to extend the shelf life.

**Source**

This product is synthetically derived from the sodium salt of pyroglutamic acid.

**Vegan/Vegetarian**

This product does not contain animal ingredients or animal by-products. In addition, no animal ingredients or by-products are used in the manufacturing process, therefore is it suitable for vegans and vegetarians.

Please note that by this declaration we do not assume any liability additional to the liabilities stipulated in the sales contract or our general business terms and conditions.

Sincerely,

Mackenzie Meade
