

OXFORD FOOD GROUP

Oxford Frozen Foods Ltd.
P.O. Box 220, Oxford, NS, B0M 1P0

16 January 2024

Halal Statement

This is to verify that the IQF carrots or rutabaga produced by the Oxford Food Group are prepared from 100% Carrot or Rutabaga. No other ingredients including additives, preservatives, and/or carriers have been added to the product.

Further to the above, the articles manufactured by the Oxford Food Group are hereby guaranteed that they:

1. Do not contain ingredients of animal origin (e.g. gelatine, animal fat) or was it made on the basis of such material (e.g. enzymes) and do not have a risk of contamination with animal origin constituents due to the production process.
2. Do not contain ingredients that contain ethanol/alcohol or constituents with ethanol/alcohol and does not have a risk of contamination with ethanol/alcohol constituents due to the production process.

IQF Carrots or Rutabaga produced by the Oxford Food Group meet the accepted definition of Halal, however, are not certified as Halal and are not sold as such.

Regards,

David McCormack
