

**LIPARI'S SAUSAGE INC.  
220 SIXTH AVENUE  
HAWTHORNE, NJ 07506  
973-304-0137**

**JANUARY 01 2026**

To Whom It May Concern,

LIPARI SAUSAGE INC, (USDA Est. P9900/M9900) guarantees that articles in any shipment, as of the date shipment or other delivery, are (a) not adulterated or mis-branded within the meaning of the the Federal Food, Drug, and Cosmetic Act (the "Act"), or the Federal Meat Inspection Act; (b) not an article which cannot, under the provisions of the Act, be introduced into interstate commerce, and (c) not in violation of the regulations of any other government authority.

LIPARI SAUSAGE INC., operates under Hazard Analysis Critical Control Points (HACCP). We are following our HACCP plan and all of the 9 FR 417 USDA regulations concerning HACCP, including microbiological tests required by FSIS for reporting of Salmonella and E-coli testing. This facility is compliant with 9 CFR 310.25. Furthermore, we are following written SSOP andGMP programs.

LIPARI SAUSAGE INC., has a documented Product Recall Policy, Food Security Plan, and Pest Control Program; which uses USDA approved chemicals and is applied by a licensed technician. This facility does have allergens at this establishment. Additionally, the Country of Origin Labeling (COOL) would be found on our packaging and bills of lading.

JOSEPH MANGANELLA  
CEO/PRESIDENT  
LIPARI SAUSAGE INC.
