Regulatory Statement

Product Name: Stearic Acid
CAS: 57-11-4
INCI Name: Stearic acid

Allergen-Free Statement

The subject product is in compliance with regulation (EC) N° 1223/2009. The subject product is free of these fragrances and fragrance allergens.

The 26 sensitizers are identified below and found in Directive 2003/15/EC, which amended Annex III, Part 1 of Directive 76/768/EEC:

Amyl Cinnamal	Amyl Cinnamyl Alcohol
Anisyl Alcohol	Benzyl Alcohol
Benzyl Benzoate	Benzyl Cinnamate
Benzyl Salicylate	Cinnamal
Cinnamal Alcohol	Citral
Citronellol	Coumarin
d-Limonene	Eugenol
Farnesol	Geraniol
Hexyl Cinnamaldehyde	Isoeugenol
Linalool	2-(4-tert-Butylbenzyl) propionaldehyde (Lilial)
Methyl Heptin Carbonate	Hydroxy Methylpentyl Cyclohexencarboxaldehyde (Lyrall)
Treemoss Extract	Oak Moss Extract
Hydroxy-Citronellal	3-Methyl-4-(2,6,6-tri-methyl-2-cyclohexen-1-yl)-3-butene-2-one (Methyl Ionone)

To the best of our knowledge, the subject product does not contain any of the following additional allergens, including:

1) Eggs 2) Milk 3) Wheat 4) Buckwheat 5) Peanuts 6) Ear shell 7) Cuttlefish 8) Salmon roe 9) Lobster & Shrimp 10) Orange 11) Crab 12) Kiwi 13) Beef 14) Walnuts 15) Salmon 16) Mackerel 17) Soybean 18) Chicken 19) Pork 20) Mushroom 21) Peach 22) Yam 23) Apple 24) Gelatin 25) Banana 26) Rice 27) Fishes 28) Cereals Containing Gluten 29) Crustaceans 30) Tree Nuts 31) Celery 32) Mustard 33) Sesame Seed 34) Sulfur Dioxide 35) Sulfites

Animal Testing

This product was not used for testing on animals.

BSE, TSE Statement

This product is free from BSE (Bovine Spongiform Encephalopathy) ingredients and TSE (Transmissible Spongiform Encephalopathy) ingredients as defined in Directive 90/220/EEC. This product does not contain any

animal ingredients, such as bovine, sheep or goat brains, neural system, viscus, embryo or blood (including its extractives).

California Proposition 65 Statement

This product, to the best of our knowledge and upon careful review of California Proposition 65, does not contain toxic substance known to the state of California to cause cancer or have reproductive toxicity.

California Transparency Act

This product is not sourced, produced or manufactured utilizing slavery or human trafficking.

Carcinogens, Mutagens, or Reproductive Toxins (CMR)

This product is absent of any CMR Listed Substances (Categories 1,2 & 3) conforming to the European Cosmetic regulation No. 1223/2009.

Composition

Ingredient	CAS No.	Composition %
Stearic Acid	57-11-4	100%

Country of Origin

This product is produced in the USA.

Gluten

This product does not contain any gluten.

GMO Statement

This product as supplied by JEEN International is not genetically modified* as defined in Directive 90/220/EEC No. 1829/2003 & No. 1830/03.

*GMO has been defined as "an organism in which the genetic material has been altered in a way that does not occur naturally." A GMO product is a product that is or does contain a Genetic Modified Organism.

Halal Statement

This product is not Halal certified; however, we believe that it complies with the Halal dietary requirements. No animal products or bi-products, enzymes or ethyl alcohol are used in the manufacture of this product.

Heavy Metals

As: <3 ppm

Pb: <1 ppm

Cd: <1 ppm

Hg: <1 ppm

ISO 16128 Statement

Natural Index 0, Natural Origin Index 1, Organic Index 0, Organic Origin Index 0

Microplastic Statement

This material does not contain microplastics.

Nanomaterial

This product does not meet the definition of nanomaterial in CEPA or the EU.

Paraben

This product does not contain any parabens.

Pesticide

Pesticides are not intentionally added to this product.

Phthalates

This product does not contain any phthalates.

Preservatives

This product does not contain a preservative.

REACH Statement

This material is exempt under Annex V.

Residuals Solvents/Impurities Statement

The subject product complies with the International Conference on Harmonization (ICH) section Q3C Impurities-residual solvents and/or USP <467> and/or EP 2.4.24. and 5.4. In order to evaluate the compliance of our finished products to the criteria of ICH guidance, raw materials used in these products must be assessed against ICH Q3C criteria. Solvents implicated in this assessment are segregated into three risk assessment classes. No Class 1, Class 2 or Class 3 solvents are used or produced in the manufacturing of this product.

SVHC

This product is absent of any SVHC (Substance of Very High Concern) as defined in Article 59(10) of Regulation (EC) No. 1907/2006 ("the REACH Regulation").

Sulfates

This product does not contain any Sulfates.

Soy Free

This product does not contain soy.

Vegan

Based on the knowledge of the raw materials and the manufacturing process, we believe that this product meets the Vegan dietary requirements. No animal or dairy products are used in the manufacturing of this product.

Volatile Organic Impurities

This product does not contain any volatile organic impurities.

**Based on the knowledge of the sourcing and manufacturing process we believe that these substances are not present in this product and hence we do not see the need to perform specific tests to confirm absence of these substances. However, it does not release the end user from conducting adequate testing upon receipt of this product in order to verify these statements.*
