

# **HALAL FOOD SAFETY AUDIT EVALUATION**

**COMPANY NAME:** ResinTech, Inc.

**COMPANY LOCATION:** 1801 Fedral Street Camden NJ. 08105

**PLANT MANAGER:** Stephen Wheeler

**AUDIT DATE:** 02 Nov 2022, 11:04 AM GMT+2

**AUDITOR:** Abdullah Fredericks (Halal Watch World LLC)

## **EXECUTIVE SUMMARY**

This evaluation report outlines the observation and audit done for the assessment and condition of products and premise of ResinTech Inc. These are the factors that confirm the client's compliance with legal requirements and health and safety standards.

## **OBJECTIVES**

The following objectives were accomplished during the conducted audit:

1. Review the management system of the client.
2. Obtain food safety standards certification

## **SCOPE**

This scope focused on the current condition of the client's production process and manufacturing site. Compliance to quality standards enforced by law to comply with human health safety was also checked and reviewed in this audit.

## **CRITERIA**

This report emphasized the internal standards, activities, documentation, criteria and procedures as primary resources for audit. Trained individuals also conducted virtual observation through site inspection to acquire evidence of compliance.

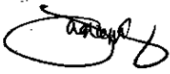

## **ASSESSMENT**

- The client was cooperative in providing all the audit questions.
- The raw material warehouse is well organized with proper labels. Overall, the facility is well maintained from receiving to dispatching area.

## CONCLUSION

As a conclusion, the facility and its products are considered low risk in Haram and can be certified as Halal.
