## HALAL Statement

Elan Product Name:

**NATURAL VANILLA PASTE**

Elan Product Code:

**7503**

With respect to the above product, this product is manufactured using ethyl alcohol. Although the majority of the ethyl alcohol has been evaporated off, there is still a possibility of residual ethyl alcohol remaining in the product (independent 3<sup>rd</sup> party certified laboratory ethanol testing results <500 ppm).

No raw ingredients used to make this product contain any animal-sourced ingredients.

If you have any further questions as to Halal suitability, please feel free to contact me anytime.

Sincerely,

*Robert Detig*
