All Workers Compensation class codes are defined by the National Council on Compensation Insurance (unless other state organization define them, e.g. CAOM) to ensure classification is adequate for the operations.

This quote contains only a general description of some available coverages and limits with an approximate premium, subject to eligibility. It is not a contract, binder of coverage or coverage recommendation. All coverages are subject to the terms, provisions, exclusions, and conditions in the policy and its endorsements. If information used for rating changes or different rates are effective at the time of policy issuance, this rate quote may be revised. If you have any questions, please contact my office.

Last Revised Date: May 28, 2021 08:30:49 | Estimate valid until: July 07, 2021
