Treatment Notes

During today's visit I inspected all interior MRTs. Inspected all interior IPMs. No activity was found in interior stations during my inspection. Inspected all interior areas of concern. Fruit fly activity was found throughout during my inspection. Performed aerosol knockdown treatment eliminating existing activity. I will continue to monitor and treat as needed during my next service visit. Please call with any concerns between now and your next visit. Thank you for your business.. During today's visit I inspected and treated all drains for possible drain fly activity. No activity was found or reported during today's visit. I will continue to monitor and treat as needed during my next service visit. Please call with any concerns between now and your next visit. Thank you for your business.
