

## VEGAN INFORMATION

The term “vegan” does not have a regulatory definition for cosmetic products or ingredients, thus requiring companies to define their own criteria to determine the vegan status of their products. The relevant criteria listed below can be used to assist you in determining if this material is in line with your company’s vegan status policy.

We hereby confirm, to the best of our knowledge, the following information regarding our product **151719 SymGlucan®**:

### **Animal Content**

This product does not contain animal derived ingredients or by-products.

The term “animal” refers to the entire animal kingdom, including all vertebrates and multicellular invertebrates. This includes meat, fish, fowl, animal by-products, eggs or egg products, milk or milk products, honey or honey bee products, insects or products from insects such as silk or dyes, or sugar filtered with bone char.

This product is not manufactured by Symrise, however, our supplier(s) has confirmed that they follow Good Manufacturing Practices as required for intended use.

### **Animal Testing**

Animal testing has been performed on this product, and/or its ingredients, on behalf of Symrise. The test was done for legislative requirements (e.g. REACH) and not for cosmetic purposes. Last tested: 2007.

### **GMO status**

This product does not contain any genetically modified organisms.
