HALAL Statement

Elan Product Name:

Elan Product Code:

ETHYL FORMATE

9565

With respect to the above product, this product is manufactured using ethyl alcohol via an esterification reaction. The majority of the ethyl alcohol is chemically reacted with other active components in this reaction step. Further distillation for single entity purity eliminates the majority of any residual ethanol from the product. There is still a possibility of residual trace ethyl alcohol remaining in the product. Independent 3rd party certified laboratory ethanol testing results <0.050 (w/w).

All raw ingredients used to make this product contain no animal-sourced ingredients. Should you need any additional information, please feel free to contact me anytime.

If you have any further questions as to Halal suitability, please feel free to contact me anytime.

Sincerely,

Keiji Takamoto
