Precautionary Statements

Treated Areas - Do not allow unprotected persons, children or pets to enter, contact or replace items or bedding. Do not enter treated areas until dry.
 Ventilation/Reoccupying - Vacate and keep areas closed up to 30 minutes after treatment, then ventilate up to 2 hours before reoccupying.
 Equipment/Processing Food - Thoroughly wash dishes, utensils, food preparation/processing equipment and surfaces with an effective cleaning compound and rinse with clean water if not removed for covered during treatment. This area should be odor free before food products are placed in the area.
 Exterior Applications - (Baits) - Do not allow grazing of feed, lawn, or sod clippings by livestock after bait application.
 Exterior Applications to Firewood - Do not burn treated firewood for 1 month after treatment.
