

Halal Certification

To whom it may concern,

I, Moulana Mirza Abu Jafar Beg, certify that **LONDON MEAT COMPANY**, located at 56 Little W 12th St, New York, NY, 10014, is a reliable source for Halal Meat. as they bring their meat from Halal producers **CARGILL MEAT SOLUTIONS CORP, MURRAY'S POULTRY, MOUNTAIRE FARMS HALAL PARTS**. I personally have visited there USDA inspected facility inspection number 8777 and P8777 and observed their place of business.

However, this certification will become void if they ever fail to organize the Halal Meat in a separate clean room, with a separate knife. It is Islamically not permissible to mix the Halal Meat with a piece of HARAM meat.
