Tablet	Coated powder tablet	Water H2O	USP 37 <2040>	37°C ± 2° C	<45 minutes

DESCRIPTION:

AMS[®] DHEA 25 mg is a hormone naturally produced in the body by adrenal glands, its synthesis generally declines with age. It functions as a **precursor to male and female sex hormones**. Besides hormone regulation, intake of DHEA supplementation:

- Has age-defying benefits
- Great for bone strength

Warnings and Precautions

If adverse reaction occurs, consult your physician, do not purchase this product if seal is missing or broken. This product is a dietary supplement not a medication. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
