General Comments:
POST APPLICATION PRECAUTIONARY STATEMENTS: 1. Contact Treated Areas: Do not allow unprotected persons, children, or pets to touch, enter, or replace items or bedding, to contact or enter treated areas until dry. 2. Ventilation / Reoccupying: Vacate and keep areas closed up to 30 minutes after treatment, then ventilate areas for up to 2 hours before reoccupying. 3. Equipment / Processing / Food: Thoroughly wash dishes, utensils, food preparation/processing equipment and surfaces with an effective cleaning compound and rinse with clean water if not removed or covered during a treatment. The area should be odor free before food products are placed in the area. 4. Exterior Applications (baits): Do not allow grazing of feed, lawn, or sod clippings to livestock after bait applications. 5. Firewood: Do not burn treated firewood for 1 month after treatment. Good afternoon, thanks for choosing Active for your pest control needs, if you have any questions or concerns please feel free to contact us and have a blessed day.
