PRODUCT INFORMATION	
Product Name:	Alaskan Wakame Puree
Ingredient:	Whole Leaf Ribbon Kelp
Botanical Name:	<i>Alaria marginata</i>
Description:	<p>Wakame is a versatile ingredient that provides dishes with a mild flavor, vital micronutrients and minerals. Seaweed is the salad greens of the sea. Our seaweed is blanched and flash frozen to maintain vibrant color and mild taste while preserving its nutritional integrity at the source.</p> <p>Our pureed wakame seaweed can be thawed and enjoyed as is or added to cold or hot dishes. Wakame can be used in a variety of applications including seaweed salad, miso soup, sauces, smoothies and so much more. What makes our product so special is its versatility and endless culinary applications.</p> <p>Our Wakame is blanched, pureed and frozen at the source to retains its mild flavor and the vibrant green to dark green color. Seaweed is a food of the future. Compared to terrestrial leafy greens farming, seaweed uses no fresh water or chemical fertilizers and thus has a low environmental impact. Seaweed is also nutritionally dense containing more micronutrients than most terrestrial vegetables.</p> <p>Our Alaskan Wakame is harvested from closely monitored farms following strict harvesting and manufacturing SOPs to ensure consistent and safe product with each and every lot.</p> <p>The facility does not process or handle any of the following ingredients:</p> <ol style="list-style-type: none"> <li>1.
