HALAL Statement

Elan Product Name:

Elan Product Code:

ETHYL ISOVALERATE

9058

With respect to the above product, this product is manufactured using ethyl alcohol via an esterification reaction. The majority of the ethyl alcohol is chemically reacted with other active components in this reaction step. Further distillation for single entity purity eliminates the majority of any residual ethanol from the product. There is still a possibility of residual trace ethyl alcohol remaining in the product. Independent 3rd party certified laboratory ethanol testing results <0.050 (w/w).

All raw ingredients used to make this product are free from and have not been in contact with:

- Pork or pork by products
- Animals not permitted and not slaughtered according to Islamic law
- Blood and blood by-products
- Drinking alcohol e.g. beer, wine, liquor

We thank you for your continued interest in our products, and if there is anything further we may assist you with regarding this or any other matter, please do not hesitate to contact us at (973) 344-8014.
