Dear Ms. Bryant,

Endiquest™ GLDA is produced from non-GMO vegetal and petrochemical sources. There are no ingredients derived from genetically modified organisms.

We have written confirmation from our suppliers that the raw material and auxiliary materials (including corn) used in the production of Endiquest™ GLDA do not contain any Genetically Modified Organisms. Therefore, we confirm that our product is GMO free.

If you need additional information, please do not hesitate to contact your Coast Southwest sales representative or customer service representative. This information is subject to change without notice.

This statement is valid for one year.
