DESCRIPTION:

AMS ® DHEA 50 mg is a hormone naturally produced in the body by adrenal glands, its synthesis generally declines with age. It functions as a **precursor to male and female sex hormones**. Besides hormone regulation, intake of DHEA supplementation:

- Has age-defying benefits
- Great for bone strength

Warnings and Precautions

If adverse reaction occurs, consult your physician, do not purchase this product if seal is missing or broken. This product is a dietary supplement not a medication. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
