

STATEMENT

ISO 16128 index and calculations

Pro-Lipo™ Neo

ISO 16128 presents guidelines on technical definitions and criteria for natural and organic cosmetic ingredients and products. These standards are based on a consensus developed by a panel of international experts to respond to cosmetic market’s needs. ISO 16128 is divided in two parts:

- Part 1: Definitions for ingredients (edited in February 2016)
- Part 2: Criteria for ingredients and products (edited in September 2017)

Table 1: Categories and indexes of each component of above mentioned product.

INGREDIENTS (INCI Name)	CAS N°	Category of ingredient	Natural index	Natural origin index
Propanediol	504-63-2	Natural derived ingredient*	0	1*
Lecithin	8002-43-5	Natural ingredient*	1*	1*
Tocopherol	1406-66-2	Natural ingredient	1	1
Helianthus annuus (Sunflower) seed oil	8001-21-6	Natural ingredient	1	1

* Ingredient is derived from plant that may have been genetically modified. No GMO residues are detectable (refer to our PCR negative certificate). Lucas Meyer Cosmetics has considered that the absence of GMO residues in ingredients allows attributing this index. However, depending on customer standards and regions of world, index might be considered at 0.

Table 2: Content calculations of above mentioned product (%)	Natural Content	Natural Origin Content
Content calculated by including formulation water as an ingredient	20-30	100,00
Content calculated by excluding formulation water as an ingredient	20-30	100,00

Lucas Meyer Cosmetics declare that above information is communicated at the best of our knowledge and in accordance with our understanding of ISO standard 16128.

Revision v3

Information and suggestions that may be provided by us, including with respect to the composition or use of our ingredients, are provided in good faith, based on the state of our current technical and scientific knowledge, but without any warranty as to their relevance, accuracy, completeness, presentation, use or otherwise. No express or implied license on patents or other intellectual property rights shall be deemed given as a result of such information or suggestions being provided. No warranty is given that the use of our ingredients, alone or in combination with other products, or the information and suggestions that we are providing respect the intellectual property rights of third parties. Any person relying on the information and suggestions that we are providing shall do so at his own risk and we will therefore accept no liability whatsoever with respect thereto. Any person using our ingredients in the formulation of his finished products is solely responsible for ensuring that the use made of our ingredients, the finished products that he is placing on the market as well as their packaging, labelling and advertising materials and the claims he makes with respect to his finished products and the ingredients they contain comply with applicable laws and regulations. We hereby disclaim any warranty of suitability of our ingredients for any purpose. Any user of our ingredients shall himself determine the suitability of our ingredients for his intended use and, as the case may be, obtain the required regulatory approvals for the commercialization of his finished products. Any information or suggestion that may be provided by us shall in no manner be interpreted as a legal or regulatory advice. Any person receiving same shall consult his own legal or regulatory affair advisors for legal or regulatory advices.
