Tech Comments:

Hi, this is Mike with ABC home and commercial services came out to do your pest control today. On the exterior checked all rodent bait stations cleaned and replaced bait and also put out a granular ant bait and a granular insect bait. On the interior checked all interior, rodent traps, cleaned and replaced glue boards, and also checked all interior fly lights and changed out their glue boards. Also, if you could fill out the one question survey that will come in an email we would appreciate it.
