STATEMENT 16 187 12

(In accordance with EN 45014 General criteria for supplier's declaration of conformity)

VEGAN SUITABILITY

We hereby declare that the below listed products marketed by SEPPIC:

- are not manufactured using animal derived raw materials
- are not produced using animal derived processing aids
- are produced in a way to minimize cross-contamination from animal substances used in other (non vegan) products as far as is reasonably practicable.
- are not tested on animals in terms of Regulation (EC) No. 1223/2009 of the European Parliament and of the Council of 30 November 2009 on cosmetic products – Chapter V – Art. 18. The animal testing bans requirements of article 18 (1) became fully applicable to cosmetic ingredients on March 11th, 2013.

Based on this knowledge, we consider the following products suitable for vegans.

This certificate was established to the best of our knowledge and/or according to our suppliers' statements, at the date of this certificate. It is however your responsibility to abide by any clause of any regulations, which may apply to the product that you manufacture, or to the use you make of our product.

Matthieu Bouffartigue
Cosmetic Regulatory Affairs Manager
