Status:NEW
Type: Structural
Responsibility:
Water leak/standing water inside. Please remove water and repair leak to prevent unsanitary conditions and attraction by pests. Please utilize fans to dry floors overnight. By garbage disposal.

Treatment Notes

During today's visit I inspected all interior RTUs. Inspected all interior MRTs. Inspected all interior IPMs. No activity was found or reported during today's visit. Please call with any concerns between now and your next visit. Thank you for your business.. During today's visit I inspected and treated all drains for possible drain fly activity. No activity was found or reported during today's visit. Please call with any concerns between now and your next visit. Thank you for your business.. During today's visit I inspected interior ILTs. Replaced glueboards in each station as needed due to small fly activity noted during my inspection. Please call with any concerns between now and your next visit. Thank you for your business.
