Treatment Notes

On today's visit I inspected and serviced the main kitchen and servery for possible pest activity. I serviced all mechanical rodent traps, rodent bait stations, flying insect light traps, insect monitors, common areas and drains. Light german cockroach activity was found in the servery and was treated as needed. Please review all existing recommendations to prevent further pest activity. Please call with any concerns between now and your next visit. Thank you for your business.. Treated all drains with a bio solution. Serviced all flying insect light traps
