7" GYRO BREAD

Each piece of Kontos incomparable Gyro Bread is hand-stretched and pre-oiled to create a flatbread that's fluffier and richer in flavor.

Foodservice establishments give it a ★★★★★ rating because it stays flexible and warm longer than any other flatbread.

The taste and texture of this bread is so unique—and yet reminiscent of a flatbread baked from scratch in your Yia Yia's kitchen.

Traditionally, Gyro Bread is used to wrap strips of spiced meat, chopped onion and tomato. Add Kontos Tzatziki Sauce to create an authentic Gyro Sandwich.
