

REFINED OILS

TECHNICAL DATA

**B. C. Williams Soybean Salad Oil
AGP#910333**

Ingredient: Soybean oil

100% fully refined, bleached, and deodorized soybean oil suitable use in mayonnaise, salad dressings, sauces, various bakery products, and other food or pharmaceutical applications. Careful bleaching assures oil with light color making it the oil of choice when product is bottled for foodservice or retail distribution. Thorough refining and deodorization guarantee that it will not mask the natural flavor profile of your food products and maintains excellent stability and is high in polyunsaturates making it the healthful choice when a liquid vegetable oil is preferred.

This product is certified "Kosher" by the Union of Orthodox Jewish Congregations and Star-K Kosher Certification.

This product is certified "Halal" by the Islamic Food and Nutrition Council of America.
